

Growing It Forward BRICK by BRICK...

We Can Build Healthy Communities!

Langs Farm Village Association is a non-profit, neighbourhood-based organization with registered charitable status. Its mission is to enhance active community participation by providing a range of accessible recreational, educational, social and health programs and services for all ages.

After 33 years serving the community, the organization is about to embark on a Capital Building Campaign to build a brand new 58,000 square foot community facility located on Concession Road in Cambridge. Langs Farm Village Association will be co-locating with the William E. Pautler Seniors Centre and a host of community partner agencies. Construction on the site is well underway and we are scheduled to open on time in late summer 2011.

How you can help:

Participate in our Business "Brick by Brick" Campaign by purchasing a single brick for as little as \$10 each or a paving stone for \$100. Every brick you buy brings us closer to completing our new building. After buying your first brick, you are eligible to receive an official tax receipt for every other brick you purchase. (*A purchase of 3 bricks is only \$25: you save \$5!*)

So be a *Builder of Healthy Communities!* Support our Capital Building Campaign and buy a brick! Once you do you'll become a cornerstone of care in our community.

There are 3 Convenient Ways to Buy a Brick:

1. Visit us online at www.langs.org and go to the "CanadaHelps" icon. It will take you to a safe and secure site where you can designate your gift to the Capital Building Campaign or,
2. Mail your personal or company cheque payable to Langs Farm Village Association with "Building Campaign" in the memo section of your cheque. Send your cheque to:

Karyn Racher
Director of Development and Communications
