

**Clinical Coordinator**  
**(40 hours per week, permanent)**

The **Clinical Coordinator** provides leadership and direction to the interdisciplinary team of health professionals at our North Dumfries Satellite CHC. The Clinical Coordinator also provides supervision to the nursing team across both sites and will also function as an RN providing direct clinical care when required.

**Qualifications:**

- Undergraduate degree in nursing from a recognized university or combination of nursing diploma and 3-5 years of nursing experience
- Experience in primary care an asset
- Experience and demonstrated leadership including recruitment and management of nursing staff preferably in a primary health care setting
- Excellent leadership, communication, problem solving skills, and interpersonal skills
- Experience in program development, implementation, monitoring and evaluation.
- Proficiency in the use of computers and various software applications.
- Experience with electronic medical records
- Current CPR certificate
- Member of RNAO
- Knowledge and experience of the health care system; primary health care and health promotion, and the community health centre model would be an asset.
- Experience and understanding of the social determinants of health
- Demonstrated ability to work effectively as a member of an interdisciplinary team.
- Valid driver's license and access to a vehicle.

Candidates for this position will have: excellent problem solving skills; excellent organizational communication, interpersonal and time management skills; proficient in the use of computers and software applications.
