

e-Leaflet: Legendary Giving Tuesday

Tuesday, December 1, 2020

#GI♥INGTUESDAY

Sometimes even heroes need help!

This video features League of Legends member, Derek Wilson, as he expresses hope and gratitude for being part of an amazing and supportive team that works hard to overcome challenges while serving the community.

Please support the Legends by visiting Langs' donation page and leaving a gift that will make a real difference in people's lives.

OTHER WAYS TO HELP ON GIVING TUESDAY

Giving Tuesday is a global movement for giving and volunteering. Langs is inviting you to participate in 3 unique ways on this special day:

1. Take time to look for and acknowledge where you find hope. Share your optimism with others and visit [Wellbeing Waterloo Region](#) for stories on how others are #FindingHope
2. Help a family in need this Christmas by donating to the Langs Giving Tree
3. Donate to the Langs League of Legends (*extraordinary people responding to extraordinary times*) campaign. Our legends work passionately to support our community members facing some of their greatest challenges ever.

For information on how to donate to the Langs Giving Tree:

Kindness and giving extends well beyond Giving Tuesday. Thank you to all those who recently responded to our requests on social media for face masks. Cheers for keeping the community protected.
